## VIRGINIA'S CHANCES IN TRACK IMPROVING

### Addition of Todd to Squad Big Boost—Orange and Blue May Run Against Princeton and Pennsylvania in Triangular Relay.

Charlottesville, Va., January 30.—Virginia may run against Princeton and Pennsylvania in a triangular two-mile relay race at the George Washington indoor meet on Washington's birthday, said "Pop" Lannigan, the Orange and Blue trainer, tonight.

Definite information will be received from the Hatchette management within the next few days. Lannigan is bending every energy now in an effort to get his track squad in shape for the first indoor meet of the season to be held at the Fifth Regiment Armory in Baltimore February 12. If the indoor relay championship of the South is to be decided at that meet, Lannigan will very probably send down of the South to be held at that meet. Lannigan will very probably send down of the South to be held at that meet. Lannigan will very probably send down of the South to be held at that meet.

A crowd of students watched the track squad of forty work out this afternoon on the board track back of Madison Hall. Interest centered in the mile trials for the relay fours, and in the half-mile event. Four teams competed in the mile relay, which was won by Diebolt, Maxson, Guy and Bone. Diebolt, the Buffalo boy, ran a fine race, exhibiting some of the form he showed last season. Kline, Carter, Minor and Masie were second in the race. Beckett, Gant, Hart and Barton composed the third team, while Thurnhill, Good, Randolph and Balthis constituted the fourth.

**Todd Gives Squad Hope.**

Four runners competed in the half-mile event—Gant, Rumbough, Tucker and Adams. Tucker jumped into the lead, which he maintained until the last turn on the final lap, when he was passed by Gant, who finished in good form. Rumbough was second, Tucker third, Adams fourth.

## OLD FIEBMAKES DEERIES WAGER

### Barney Causes Big Fellow to Swear Off for One Whole Year.

Los Angeles, January 30.—In "Jim" Jeffries' saloon to-day Barney Oldfield began to banter the ex-champion about his ability to leave off the use of liquor and cigarettes. Jeffries became angry and offered to bet any amount that the automobile racer would cover that he could not only keep from drinking for twelve months, but could drop cigarettes.

Oldfield bidding against each other they finally had \$2,000 as the stakes which will go to Jeffries next year on this date if he observes the conditions of the wager. If he does not, he will lose his own \$4,000 as well as what Oldfield put up.

Some of the bystanders thought that Jeffries made the bet so that he might be forced to get into condition and thus "come back" as a "white hope," but he laughingly denied this.

## GEORGIA CAN'T PAY TRINITY

### Cancels Basketball Game Without Giving Reason—Durham Disappointed.

Trinity College, Durham, N. C., January 30.—Manager J. A. Rand, of the basketball team stated last night that he had received word from the manager of the Georgia team of the University of Georgia saying that it would be impossible for them to come here for the game that had been scheduled for to-night. The tales that have been coming here from the University of Georgia saying that it would be impossible for them to come here for the game that had been scheduled for to-night. The tales that have been coming here from the University of Georgia saying that it would be impossible for them to come here for the game that had been scheduled for to-night.

No reason was given as to why the Georgia game was called off, it merely being stated that the team would not come here. Several other games had been arranged in this section, but all were cancelled.

## COMMISSION IS TO NAME REFEREE

### Governing Body for Boxing in New York Issues Drastic Order.

New York, January 30.—The State Athletic Commission may take upon itself the assignment of referees for the boxing bouts in New York. The plan, which has already come up at meetings of the commission and received favorable action, will be finally acted upon next week. It is proposed to reduce the official list of referees, of whom there are now more than sixty holding licenses, to fully one-half the number and to have the latter not only assigned to duty by the commission, but named and governed by that body.

## MANY CHANGES IN LEAGUE NAMES

### Carolina Association to Be Known as North Carolina League Hereafter.

Auburn, N. Y., January 30.—John H. Farrell, secretary of the National Association of Professional Baseball Leagues, to-day announced several changes in minor league baseball. The Carolina Association is reorganized under the name of the North Carolina League and will embrace Asheville, Charlotte, Durham, Greensboro, Raleigh, and Winston-Salem. Saginaw, Mich., is added to the Southern Michigan League and the league has qualified in Class C. Names changed: Central Kansas League to Kansas State League, and Connecticut League to Eastern Association.

## TEARNEY MUST ANSWER CHARGE

### President of Three-I League Accused of Keeping Saloon Open After Hours.

Chicago, January 30.—Al Tearney, alderman and president of the Three-I Baseball League, also saloon proprietor, was fined \$20 by a jury in the municipal court, which to-day found him guilty of keeping his place open after closing hours.

Much attention has been attracted to the case for the reason that Tearney's alleged violations of the closing ordinance were reported more than 100 times by the police, yet he was not haled into court until a local newspaper began pressing the charges. Three similar charges against Tearney it is said to be disposed of.

## DR. H. G. LEIGH IS RE-ELECTED

Dr. H. G. Leigh was elected president, John R. Jones, vice-president, and R. T. Wilson, secretary and treasurer. E. H. Patterson was elected a director to fill the vacancy caused by the resignation of Jos. W. Seward.

## CAROLINA GIVES LETTERS TO MEN

Chapel Hill, N. C., January 30.—After prolonged hesitation as to the advisability of awarding monograms to members of Carolina 1913 football squad the athletic council has taken action by awarding sweaters to the following members of the team that participated in the Virginia game: Jones, Dorich, Johnson, Jennings, Stevens, Homewood, Huske, Abernathy, Moore, Taylor. Stars were awarded to Tillet, Strang, Applewhite, Wakely and Abernathy.

## Horton Sets New Record

Saranac Lake, N. Y., January 30.—In the international amateur championships skated here to-day Edmund Horton, of Saranac Lake, set a world's record in the 25-yard hurdle event of 21.45 seconds. Robert McLean, of Chicago, retained his title of champion in the mile event. A feature of the carnival programme to-day was an exhibition jump over twelve barrels a distance of twenty-five feet seven inches, by Edmund Lammy, professional champion jumper.

## Executive Committee of R. A. A. F. Meets To-Night

The executive committee of the Richmond Athletic Federation will meet to-night at 8:30 o'clock in the Central Young Men's Christian Association. At this meeting the question of holding an indoor track meet will come up for discussion. Likewise the advisability of inviting the several organizations in Richmond composed of girls and young women, to affiliate with the Federation. Indeed, there are a number of matters to be considered and all important. Dr. C. M. Hazen, president of the Federation, and chairman of the committee, has outlined several plans to be considered by the members for furthering the work in hand. The session is apt to result in something being actually accomplished. Every member is expected to be on hand.

## CITY MUST HELP AMATEUR LADS TO BUILD PARKS

### Amateur Commission to Send Committee Before Administrative Board Soon.

Richmond's Administrative Board will be asked to do something tangible toward helping the boys of Richmond. At a meeting of the Amateur Baseball Commission, held last night, it was decided to send a committee composed of Colonel John S. Harwood, James Disney and Dr. Charles Labenberg before the administrative tribunal of Richmond and ask for \$2,500 to help the amateur ball tossers improve their playing grounds. The growth of amateur baseball or rather the growth of interest in organized amateur baseball, since the movement began, just two years ago, is best shown by a recital of facts and figures.

## NEW MANAGERS IN N. Y. STATE LEAGUE

### But Farrell Says That There Can Be No Change in Circuit.

Auburn, N. Y., January 30.—President John H. Farrell of the New York State Baseball League, announced tonight that the meeting in Utica this week will dispose of some very important business.

The Troy franchise has been sold by the present holders, Joseph J. Murphy and State Commissioner Commissioner M. Fleming, to L. W. Wachter, of Troy. Mr. Farrell said, and the deal will come up for ratification. The recent sale of the controlling interest in the Albany franchise by Charles M. Winchester to Joseph Stack also will be considered.

There will be no changes in the circuit. President Farrell's announcement states, but changes among the managers will be numerous. J. C. Calhoun will manage Binghamton, Lew Rittler will manage Elmira and Richard Smith will look after Saratoga. A new manager will be named in place of Manager Clyde who leaves Wilkes-Barre to go to Buffalo in the International League, and the Troy team will have a new manager.

Application has been made to President Farrell by Major John R. Sage, of Poughkeepsie, asking for a franchise for that city in the State League. The application cannot be favorably acted on because there is no change in the circuit scheduled.

## Good Accomplished is Obvious.

The good that organized baseball has done needs no recital. Youngsters who formerly tarried on the streets now don their uniforms and take part in healthy competition under laws made by men who have given time and thought to the problems. Best of all, the boys themselves are the greatest aid in seeing that the laws are obeyed. The lads recognize law and order; are made to understand that obedience is essential and that they must be manly and fair. Not only do they stay off the streets during the day time, but after the game is over, they are tired and ready to go to bed and sleep. All of these facts will be told the administrators. They will be asked to help further the work by appropriating enough money to carry it on successfully. It has not been decided just when the committee will appear. At present Colonel Harwood is out of the city, and nothing will be done until his return.

## James Disney Elected.

John Dunn, new president of the Capital City League, and by virtue of his new office a member of the commission, resigned as vice-president, thereby leaving a vacancy. The commission unanimously elected James C. Disney, manager of Murphy's Hotel, to the office. Mr. Disney last night thanked the commission for the honor and said that he would do all that he could to further the work of the organization. He is a great admirer of the game and especially of the game as played by the amateurs and will prove a great help towards carrying out the aims and ambitions of those who are helping the cause along.

## Shaffer Fails to Sign Contract

### Sends Back Second One Without His Signature, Despite Increase.

Los Angeles, Cal., January 30.—Despite the fact that he has just received a contract from John J. McGraw, manager of the Giants, for a large increase in salary, Artie Shaffer, utility infielder of the Giants, announced to-day that he would stick to his determination to quit baseball. This is the second contract that McGraw sent him to Shaffer. Artie having returned the first one unsigned.

"I have positively decided to get out of the game," said Shaffer. "McGraw has not enough money in his treasury to tempt me to alter my present plans. I have had enough of the game and think that I will tour Europe this year." Shaffer would have been the regular shortstop of the Giants next year if he had accepted the terms of McGraw.

## SHAFER FAILS TO SIGN CONTRACT

## GEORGE BROOKE WILL COACH PENN

### Old-Time Fullback and Great Punter Quits Swarthmore for Red and Blue.

Philadelphia, Pa., January 30.—George H. Brooke, probably the best known fullback who ever played football at the University of Pennsylvania, who has coached the Swarthmore College eleven for a number of years, has been chosen by Pennsylvania's football committee to coach the Red and Blue team next season. There is no room for doubt, for Brooke has signed a contract to coach the Pennsylvania team for three years. This contract has been made subject to ratification by the board of directors of Penn's athletic association, and of the athletic committee. However, this is a mere matter of form, for the directors and the athletic committee have never been asked to decide any way but in accordance with the action of the football committee.

## WILL ASK FOR \$2,500

### Needed to Establish New Grounds and to Improve Those Already Established.

Richmond's Administrative Board will be asked to do something tangible toward helping the boys of Richmond. At a meeting of the Amateur Baseball Commission, held last night, it was decided to send a committee composed of Colonel John S. Harwood, James Disney and Dr. Charles Labenberg before the administrative tribunal of Richmond and ask for \$2,500 to help the amateur ball tossers improve their playing grounds. ## DETROIT DRIVING CLUB WILL NOT LIMIT AMOUNT WON BY HORSE

### Limit Amount Won by Horse.

Detroit, Mich., January 30.—Directors of the Detroit Driving Club decided to-day to notify the stewards of the Grand Circuit that they cannot abide by the rule limiting the amount of money won by a horse. The reason given was that the rule might prevent the starting of the best trotter in the merchants' and manufacturers' \$10,000 stake, or the best pacer in the \$5,000 chamber of commerce stake.

When the stewards met at Pittsburgh recently they adopted a resolution whereby any trotter winning a gross of \$15,000 or any pacer winning \$10,000 gross, shall not be eligible to start in other early closing events.

## CRIMSON'S FOOTBALL SCHEDULE

### Shows Break Has Come. Date Easy to Fill.

Cambridge, Mass., January 30.—Harvard and Dartmouth have broken in football just as the same institutions did in the track athletics last fall. In making up the Harvard football schedule for 1913 the Crimson has taken the initiative step and has drawn up its list of week-end engagements at the stadium gridiron next fall without awaiting a visiting card to the Dartmouth players.

Little trouble was found in locating a successor to the existing vacancy. Brown for the past two seasons has been the star in the Harvard football schedule and was desired and the proposition to act as runner-up to the Yale contest found favor. This will bring Harvard and Brown together on November 15.

## BOWLING

The Alcos rolled like real champions last night in their regular scheduled match at the Newport Alloys and broke two of their own records for individual and team total. Whitman broke his own high record of 671, when he made 678 in the three games. The Alcos put up 922, 1,027, 966, for a total of 2,915.

## CADETS LOSE AGAIN AFTER STIFF FIGHT

### Orange and Blue's Five Shows Better Form Than V. M. I., Missing Few Shots, While Lexingtonians Pass Up Many Opportunities.

Charlottesville, Va., January 30.—Virginia Military Institute closed a disastrous three-game trip here to-night, losing to Virginia, 39 to 15, before the largest crowd of the season.

The contest was the first real test of the season for Virginia, and the fact that a larger score was registered against the visiting Cadets than was made by Georgetown last night, against the same quint, proved very gratifying to the supporters of the Orange and Blue.

Virginia started off with a rush, Gill and Campbell caging the ball in rapid succession. Leech, for the Cadets, tossed the next goal, but the locals struck their pace again and the first half ended 20 to 8 in favor of Virginia.

The second half was fought with more spirit on both sides. After Virginia had thrown four goals from the court, the Lexingtonians scored two in succession, but it was only a flash in the pan, for their scoring stopped as suddenly as it began, and Virginia steadily rolled up the points.

Stickley, the diminutive forward from Virginia Christian College, topped his team mates in a certain extent. He was not content with sending the ball through the netting six times, but traveled over the floor like the proverbial flea, being here, there and everywhere. Much of the credit for the victory was due to the superb guarding of Captain Churchman and Campbell. The latter also gave a pretty exhibition of dribbling, more
